* We are members of the PBFA association of booksellers and regularly exhibit at fairs around the country. Please see the back of this catalogue for a list of forthcoming fairs we are planning to attend.

* I am a member of various polar groups, including the Friends of SPRI, the Devon and Cornwall Polar Society and the James Caird Society.

Welcome to our latest polar catalogue. Having been through the alphabet naming our catalogues over the last 19 years we now come back to the letter A. This issue is named AMUNDSEN; appropriately as 2025 is the centenary of this great explorer's attempt to fly to the North Pole. (see item 4)

There are separate Arctic and Antarctic sections in this catalogue; and sections on polar ephemera and polar postcards as follows:

- Pages 6 to 28 **Antarctic Books**
- Pages 29 to 39 **Arctic Books**
- Pages 40 to 44 **Polar Ephemera (inc. Autographs) and Postcards**

Also, I have grouped the listing of some books relating to **Roald Amundsen** (pages 4 & 5) **Sir Douglas Mawson** (page 14) **Captain Scott** (pages 18 to 20), **Sir Ernest Shackleton** (pages 21 to 25), **Sir John Franklin** (page 31) and **Fridtjof Nansen** (page 35). This catalogue can also be viewed on our website www.kingsbridgebooks.co.uk

If the book you are looking for is not in this catalogue, then please get in touch as we do have many other books (and items of ephemera) not listed here. Please let us know if you would like more details about the content or condition of any of the books. Images can be emailed if required.

Happy hunting, and all the best for a happy and healthy 2025.

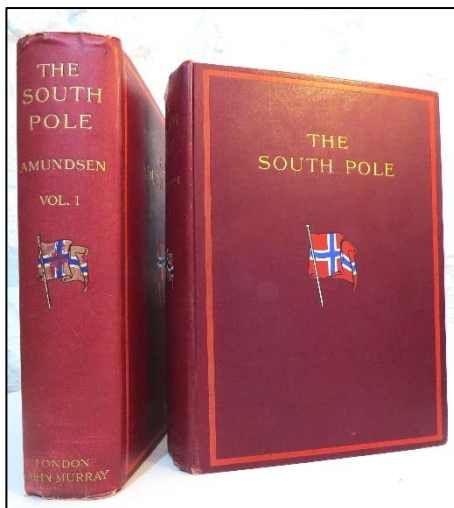

Paul Davies

**** Many books sell very quickly therefore so it is best to ring or email straight away, then Andrea or I can reserve them for you.***

**** Because of the costs involved, we regret that if you do not place an order after receiving three issues of our catalogue we will no longer be able to send it to you, unless you specifically ask for it.***

235 Nares, Capt Sir GS **Narrative of a Voyage to the Polar Sea during 1875-6 in HMS ships 'Alert' and 'Discovery' with notes on Natural History** Sampson Low 1878 third edition (same year as first) two volumes 395+378 pp and adverts Six mounted real sepia photographs, seven full page illustrations, two folding maps (one in facsimile). Original publishers green cloth decorated in black and gilt. Firm binding resewn and rebacked with original spines. **£525**

An account of the last major British Arctic Expedition and the first since the Franklin Search Expeditions of the 1850s. The aim was to reach the North Pole by way of NW Greenland. The Alert attained a new Farthest North and much scientific work was carried out. The expedition was badly affected by scurvy and was forced to return. This account is enhanced by the inclusion of six original photographs.
