Polar Exploration Books

Catalogue: TAYLOR

Welcome to our latest polar catalogue; a little later than usual. We are now up to the **letter T** in the alphabet for our catalogue so this one is named after **Griffith Taylor**; meteorologist on 'Terra Nova' expedition.

I hope you enjoy looking at the variety of polar material we have to offer. I have separated Arctic from Antarctic books and have three different sections in this catalogue as follows:

- Pages 4 to 24 Antarctic Books
- Pages 25 to 34 Arctic Books
- Pages 35 to 38 Polar Ephemeris

I am trying to create some shelf space, so this time have I included a separate sheet of **Travel and Adventure books ALL AT HALF PRICE**. I have also reduced the price of some of the books I listed last time. Clearer, colour pictures of items in this catalogue can be seen on our website... www.kingsbridgebooks.co.uk

If the book you are looking for is not in this catalogue, then please get in touch as we do have many other books (and items of ephemera) not listed here. Please let us know if you would like more details about the content or condition of any of the books. Images can be emailed if required.
Happy hunting!

Paul Davies

**** Many books sell very quickly therefore so it is best to ring or email straight away, then Andrea or I can reserve them for you.***

**** Because of the costs involved, we regret that if you do not place an order after receiving three issues of our catalogue we will no longer be able to send it to you, unless you specifically ask for it.***
