## Catalogue: WORSLEY

Welcome to our latest polar catalogue. We are now up to the **letter W** in the alphabet for our catalogues, and this one is named after **Frank Worsley**, ship's master on Shackleton's Endurance and Quest Expeditions.

These times of the Covid pandemic are very odd for us all but we hope this finds you well and bearing up in whatever stage of lockdown you are. In the UK it seems as though the end is in sight. Let's all hope for a much better 2022.

There are separate Arctic and Antarctic sections in this catalogue, and a section on polar ephemera as follows:

- Pages 4 to 27 **Antarctic Books**
- Pages 28 to 40 **Arctic Books**
- Pages 41 to 45 **Polar Ephemera**

Also, I have grouped the listing of some books relating to **Captain Scott** (pages 16 to 18), **Ernest Shackleton** (pages 19 to 23), and **Sir John Franklin** (pages 32 and 33).

Clearer, colour pictures can be seen at [www.kingsbridgebooks.co.uk](http://www.kingsbridgebooks.co.uk)

If the book you are looking for is not in this catalogue, then please get in touch as we do have many other books (and items of ephemera) not listed here. Please let us know if you would like more details about the content or condition of any of the books. Images can be emailed if required.

Happy hunting....and, above all, keep being safe !

*Paul Davies*

***\* Many books sell very quickly therefore so it is best to ring or email straight away, then Andrea or I can reserve them for you.***

***\* Because of the costs involved, we regret that if you do not place an order after receiving three issues of our catalogue we will no longer be able to send it to you, unless you specifically ask for it.***
